Insert: "<u>NEW SECTION.</u> **Section 2. Legislative intent.** (1) It
is the intent of the legislature that the office of budget and
program planning use the statewide accounting, budgeting, and
human resource system to capture savings in House Bill No. 2
generated due to the implementation of Senate Bill No. 405.
    (2) After medicaid expansion as authorized in Senate Bill
No. 405 is implemented, the office of budget and program planning
shall calculate the general fund, state special revenue, and
federal special revenue savings for each fiscal year attributable
to the health insurance flexibility and accountability waiver,
the federal medical assistance percentage for the medically
needy, new rates for facility outside medical costs, and all net
reductions in House Bill No. 2 for fiscal year 2016 and/or fiscal
year 2017, transfer the savings to a separate subclass, and
designate the subclass as frozen so that the generated savings
may not be spent.
    (3) For fiscal year 2016, the amount frozen will be
determined by a pro rata share of months left in the fiscal year
upon implementation. For fiscal year 2016, if savings are less
than the remaining share of $11,763,918 general fund, the budget
director is authorized to unfreeze appropriations necessary to
prevent a supplemental request.
    (4) It is the intent of the legislature that the savings
revert to the fund from which they were appropriated and are
subject to appropriation by future legislatures as applicable.
    (5) The legislative finance committee shall review the
assumptions used in office of budget and program planning's
calculations for reductions and the specific cost offsets
identified by the office."
